Clear Lake High School

Pauline
Dickerson

Dear Pauline,
I'll never forget old Spanish class. (sigh) we were all there last hour at a complete loss of what we did want to take two years of Spanish, but not Spanish. I'll never forget you and all our experiences in Spanish
you sure are a swell girl.
Karen
Alice
V. L. F.

Dear Pauline,
We sure have had fun in our junior year haven't we? Prom night in Mason City espically. I never will be able to tell you and Arlene apart. Have fun this summer and be good.
Lots of luck
Sue

Dear Pauline,
Yes, the Don's are for the birds. I sure wish they weren't. But you always have Harry to fall back on. Ha Ha. I sure hope you will be getting your Dresses pretty soon, because I would hate to see you not use that good old car of yours. Well, we only have one more year to be in school together but when you are married I will always come and see you and all your kids. Lets really have fun at the cottage party in June! If you know what I mean. I don't want to tell you how wonderful you, because Harry is doing a wonderful job of it. I'll at least like you that you are as sweet as honey.
Your pal and fider
Ida

Senior Memoirs

We, as seniors, look back on the many pleasures we have shared during our high school days and we will almost all agree that these have truly been the happiest years of our lives. Homecoming, the Hi-Tri Dance, and the Prom are three of the outstanding social activities which we all will remember for some years to come. We will also remember the many hours which our teachers have spent with us to help us mold our characters and plan our future lives.

We will remember and appreciate these things even more in the later years of our lives. We would like to say "thank you" to the sponsors of our many organizations and to all the faculty who have helped us make these years of school something to remember always.

Although some of us do not realize it yet, we will miss this school and everything about it. To take its place, we have a full lifetime ahead of us. We will all try to make Clear Lake High School proud of us.

HONOR SOCIETY

Our chapter of the National Honor Society, the Semper Fidelis Chapter, was organized in 1931 under the sponsorship of Miss Catheryne Chambers. Its purpose is to create enthusiam for scholarship and sincere desire to serve our school, to promote leadership and to develop character in the students of Clear Lake High School.

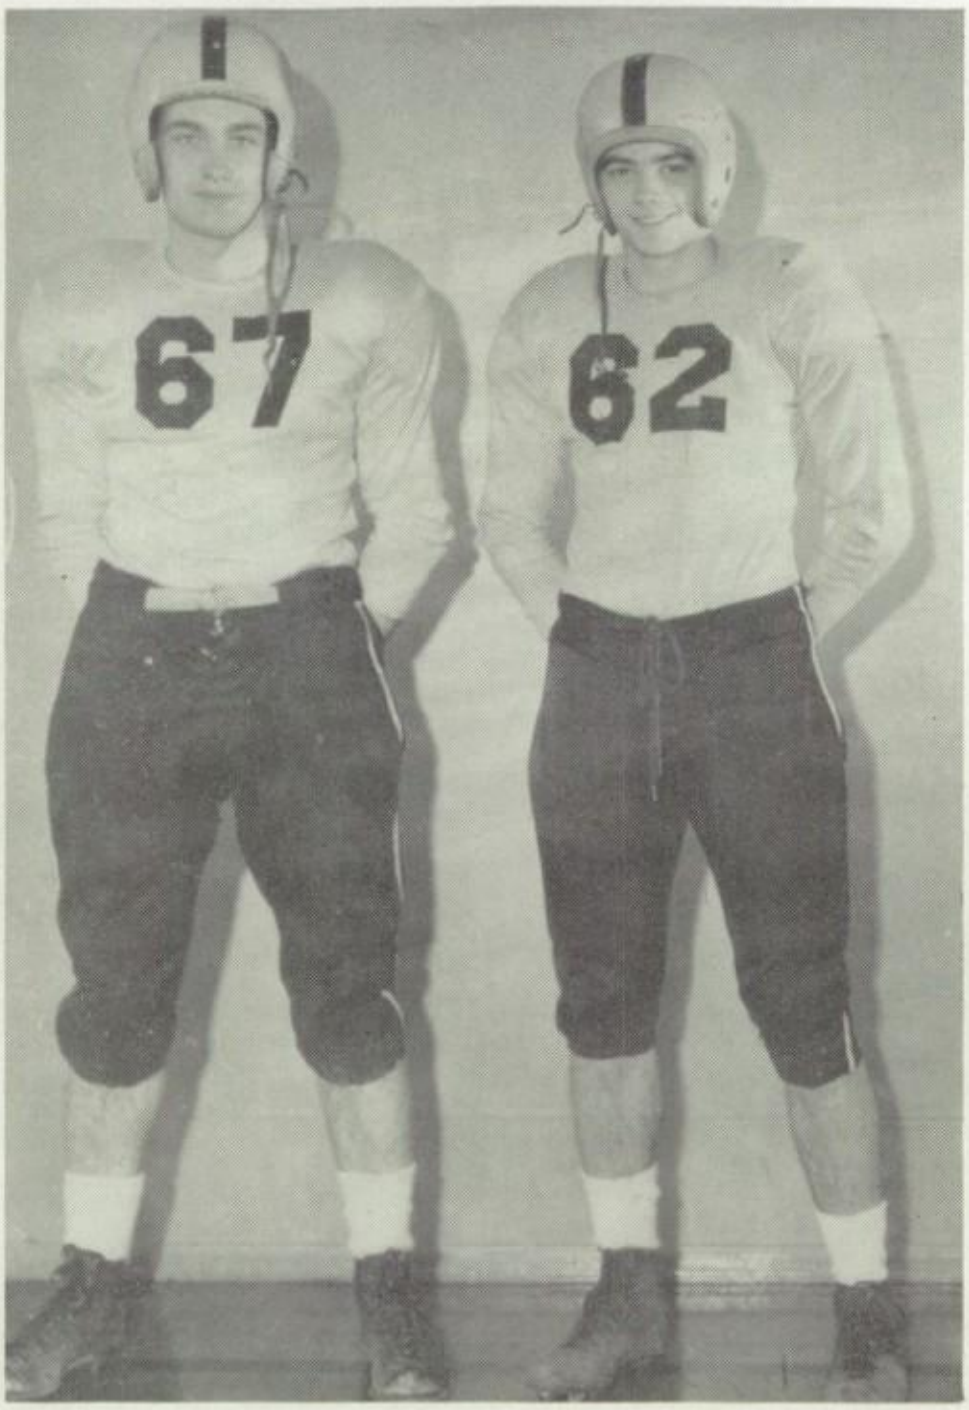
CO-CAPTAINS



The Lions faced a tough rebuilding program under their new coach, Dyle Martin. Fifty boys checked out football equipment when practice opened in late August, and from this group it was necessary to build a completely new team.

The Lions won 2 and lost 6 for the season, ending up in sixth place in the North Centeral Conference standings. The team showed great improvement game to game and many of its losses were by close decision.

The Lions have nine lettermen returning for next season and their rapid improvement during this year should be a warning sign to next year's foes.
